APMDC shall distribute the Offered quantity among the Bidders (maximum up to 5 bidders, i.e. H1, H2, H3, H4 & H5) based upon their e-Tender cum e-Auction ranking and subject to availability of the material provided all the successful Bidders match their quoted prices with that of H1 Bidder. The H1 bidder shall be offered to take the complete permissible quantity (i.e. 60% of the total offered quantity). The remaining quantity (i.e. offered quantity less quantity accepted by H1 bidder) shall be offered to the H2 Bidder in the similar manner and so on, till entire offered (tendered) quantity is exhausted. In any case, Barytes shall be offered to maximum of 5 bidders (H1 to H5)

For illustration purpose, following scenarios are provided

- If H1 bidder accepts 50% of the offered quantity of A Grade Barytes and then H2 bidder accepts 40% of the offered quantity then H3 bidder shall be offered remaining 10% of the quantity. If H3 bidder accepts the entire 10% quantity then remaining bidders (H4 & H5) shall NOT be offered any quantity of A Grade Barytes.
- If H1 bidder accepts 40% of the offered quantity of A Grade Barytes and then H2 bidder accepts remaining 60% of the offered quantity then remaining bidders (H3, H4 & H5) shall NOT be offered any quantity of A Grade Barytes.
- If H1 bidder accepts 60% of the offered quantity of A Grade Barytes and then H2 bidder accepts remaining 40% of the offered quantity then remaining bidders (H3, H4 & H5) shall NOT be offered any quantity of A Grade Barytes.

Similar process shall be used for other grades also

The bidders who are allotted quantities through this process shall be termed as “**Successful Bidders**”. The remaining bidders who are not allotted any quantities shall be termed as “**Unsuccessful Bidders**”.

In all above scenarios, all the successful bidders shall match H1 price. In case of bidders who are not offered any quantity as indicated above, the Corporation may supply the material depending on the availability of the material provided that all such bidders match H1 price.

- (ii) Immediately after closing of e-auction, a system generated automatic “Intimation Letter” will be issued by e-mail to the H1-H5 Bidders. The Letter of Award (LOA) will be issued by APMDC to successful Bidders subject to successful bidders matching their quoted prices with that of H1 Bidder.
- (iii) APMDC reserves the right to allocate the balance quantity after allotment to the successful Bidders, if any, at its discretion at the H1 accepted rate.
- (iv) In case two or more Bidders quote the same price the ranking will be done based on the following criteria: If same rates are quoted in e-Auction as well as e-Tender which happens to be H1 then in order to consider one out of the two as H1, the Bidder who quoted the H1 rate first out of the e-Tender and e-auction will be treated as H1 and the other Bidder will be treated as H2. Similar procedure will be followed for determining the H2, H3 H4 and H5 Bidders as the case may be.
- (v) It must be noted by the H1-H5 Bidders that Intimation Letter will be issued by MSTC only for the purpose of record within the stipulated time from the closing date of e-auction. Bidders must, therefore keep a watch on their incoming e-mail for Intimation Letters. Normally no hard copy of the Intimation Letter will be issued by MSTC.
- (vi) The Letters of Award (LoA) will be issued by APMDC to the successful bidders (provided the successful bidders match the H1 price) after approval by the board of APMDC and or GoAP (Government of Andhra Pradesh) within the validity of Bids at Clause 6.31. Issue of intimation letters by MSTC shall not amount to Award of Tender /e-tender cum e-auction by APMDC and also shall not confer any right to the bidders to issue LoAs immediately on receipt of such intimation letters from MSTC.
- (vii) Depending on the availability of the Barytes material, the Corporation reserves the right to

supply the excess material (beyond the tendered / offered quantity) to any bidder, whether successful or unsuccessful.. Also, in order to ensure maximum benefit to the Corporation, the Corporation reserves the right to supply excess Barytes material (beyond the tendered / offered quantity & beyond the requirement of H1-H5 bidders) to any other interested buyer (Indian or International), depending on the availability of the material.

However any such supply (mentioned under this clause 6.36 (vii)) shall be uncertain and at the discretion of the Corporation given that the Corporation shall give priority to the successful bidders under this tender (Clause 6.36 i). The decision of the Corporation shall be final and binding in this regard
